P2P File Sharing - Consistency - Program Listing

I did my best to include comments where the source files were modified from PA2 using

`/*--------- start change ----------*/`

`/*--------- end change ----------*/`

The following files were modified from PA2

- Client.cpp
- Parsers.cpp
- Exchanger.cpp
- Exchanger.h
- index.cpp
- index.h
- indexRPC.cpp
- indexRPC.h
- Peer.cpp
- Peer.h
- TestPeer.cpp
- Folder.cpp
- Folder.h
- Log.h
